

Welcome to Shenandoah Oncology and thank you for choosing us as your Oncology and Hematology provider. Our primary goal is to provide quality medical care which is easily accessible and responsive in your time of need. Whether you are seeing us for Oncology (cancer) or benign Hematology (non-cancer blood) concerns, our staff includes a comprehensive interdisciplinary team of medical and administrative professionals who will strive to exceed your expectations. We aim to ensure your experience with us is as comfortable and as stress free as possible.

At Shenandoah Oncology, we take a team approach to healthcare delivery. Each team consists of a board-certified hematologist oncologist, an office-based nurse practitioner, a dedicated inpatient nurse practitioner, a clinical medical assistant, and a dedicated scheduler. Additionally, we have a licensed social worker on staff who can help guide you through your emotional, social, and family concerns. If needed, you will also be assigned a nurse in our treatment room who specializes in the treatment and care of oncology and hematology patients.

Depending on your diagnosis, you will see either the doctor or office-based nurse practitioner at your first visit. Together, they will develop a plan of care for you that will best meet your individual needs. Your team will also assist in coordinating care with other providers, specialists and community resources as needed.

Enclosed you will find an appointment card with your provider's name, visit date and time. Again, thank you for choosing Shenandoah Oncology.
